Pope Francis encourages us that time spent with the sick is holy time. It is a way of praising God who conforms us to the image of His Son. It is in the care and prayers for the sick that love becomes a witness of hope in the Resurrection.

We encourage you to call the office with the names of those who need prayer. They will be mentioned in the Sunday liturgy and then placed in the bulletin following week. Their names will remain in the bulletin for two weeks.

Please cut out the prayer list below and put it somewhere that will remind you to pray for those in need. Thank you!

TODAY'S GOSPEL MEDITATION/REFLECTION QUESTION

Fifth Sunday of Lent

The raising of Lazarus in today's Gospel is the last of seven signs that manifest God's re-creation made present in Christ. We hear Jesus say, "I AM the resurrection and the life." In response, Martha, and we proclaim, "I have come to believe that you are the Christ ..." Do we believe Christ brings new life someday or that new life is life with Christ now? Jesus calls Lazarus from the tomb and all that binds him as a sign to all disciples. How are we experiencing new life through the Lenten disciplines of prayer, fasting and Christian service? What tomb is Jesus inviting us to leave behind?
