Nigerian Classrooms

Most classrooms in Nigeria lack the essential school supplies needed to help children achieve a meaningful education. School supplies as basic as notebooks, pens, pencils and erasers are hard to come by and are crucial to help aid children grow and learn in the classroom. Please help us to make this years back to school season one where every child has an equal opportunity to discover the world around them.

A list of suggested items to donate are in the column to the right.

**IF YOU WOULD LIKE TO HELP, PLEASE DROP YOUR DONATIONS AT:
ST. LUKE CATHOLIC CHURCH-PARISH OFFICE

(A box will be located on the front porch)*

**Please have all donations dropped off by
FRIDAY - AUGUST 23, 2013**

Current School Conditions

Schools in Nigeria do not resemble what we are used to in America. As one can see in the photos, the schools are in rough conditions due to the weather and lack of resources to make the many needed repairs & upgrades. The school supplies we ship to the children serve as more than just supplies, but also bring back the

joy into learning.

Only with your help can we reach our goal!
Thank you!
